- 6.4 We will at all times execute Transactions in accordance with our Order Execution Policy.

7. TRANSACTIONS

- 7.1 You agree that all Transactions entered into with us shall be subject to:
- the fees, commissions or spreads specified in our market information sheets which are available on the Website or on request;
 - our Order Execution Policy; and
 - the CFD or Spread Trade / Spread bet Schedule relevant to the Transaction.
- 7.2 If, before you enter into a Transaction with us our quote moves in your favour you agree that we can, but are not obliged to, pass such price improvement on to you. This will result in the level at which you are trying to open or close a Transaction being altered to the move favourable price. You acknowledge that it is in your best interests to alter the level in this manner and this is a fully binding agreement between us.
- 7.3 When we enter into Transactions on your behalf, if you have an open long Transaction and enter into a short Transaction on the same Instrument, you will have both a long and a short position in the same instrument (unless you have selected to close an existing open position).
- 7.4 If you have an open long Transaction and enter into an additional long Transaction on the same Instrument, we will combine these positions resulting in a larger long Transaction on the Instrument.

- 7.8 Following the acceptance by us of a Transaction, you will receive an onscreen Confirmation.
- 7.9 You will be provided with a Confirmation Statement by email by no later than the end of the following business day.
- 7.10 Please check the Confirmation Statement immediately on receipt to see that it accurately reflects your instructions. Unless we receive notice from you disputing the Confirmation within 24 hours of the date of your deemed receipt of the Confirmation we shall assume that the terms of the Transaction contained in the Confirmation are accurate and binding. Non-receipt of a Confirmation shall not affect the validity of a Transaction, and you should contact us as soon as possible if you have not received a Confirmation within three Business Days of entering into a purported Transaction.

Our Rights

- 7.11 Subject to clause 7.13, you agree that, we may refuse to enter into a Transaction with you, or even after we have entered into a Transaction with you, we may close out of the Transaction, or treat that Transaction as void if:
- the Transaction has been entered into other than in accordance with the terms of Clause 6 and this Clause 7;
 - we have not provided you with a quote through the Platform;
 - the offer and acceptance of the Transaction was not made during the validity period displayed by the Platform;
 - any quote provided to you is subject to a Manifest Error;
 - the Transaction (or, in the case of part closure of the Transactions, the residual Transaction) does not comply with any Minimum and Maximum Size Requirements agreed between us;
 - a Force Majeure event has occurred;
 - an Event of Default has occurred;
 - the Transaction would result in you failing to comply with your Margin Requirements; or
-

- the Transaction would result in a breach of any Applicable Rules and Regulations.

7.12 Subject to clause 7.13, we shall have complete discretion in deciding whether to void any Transaction in accordance with this Clause 7, and all Transactions shall remain binding on you notwithstanding a Transaction being in breach of the above until we notify you in writing that we have elected to treat such Transaction as void.

7.13 If you are classified as a Retail Client, we will close out one or more of your open Transactions when the sum of funds and the unrealised net profits in your account falls to less than half of the total Initial Margin Protection for all of the open Transactions. On the SmartCharts platform all your open Transactions will be closed out, on the MetaTrader platform your open Transactions will be closed out on a basis of largest loss first.

7.14 If you are classified as a Retail Client, your aggregated liability for all Transactions connected to an account will be limited to the funds in that account. This means that, if the net balance of the profit and loss attributable to any open Transactions is at or near zero, we may close out any open Transactions to avoid the balance in your account becoming negative.

7.15 If you are classed as a Retail Client, it is possible that your account may reflect a negative balance during the course of the Business Day. In compliance with Clause 7.14, we will ensure that any such negative balance is credited to bring the overall balance back to zero by the close of the Business Day.

7.16 We shall be entitled, at our absolute discretion, to amend any Transaction in order to:

- correct any Manifest Error;
- comply with any Applicable Rules and Regulations; or
- take into account any Corporate Action.

and you agree to immediately return to us any monies previously paid to you to which you are no longer entitled under a Transaction amended pursuant to this Clause.

7.17 We will exercise our rights in this Clause 7 as soon as reasonably practicable after we become aware of any of the existence of any of the matters listed at 7.11. You agree to notify us immediately if you become aware of the existence of any such matter. In the absence of fraud, wilful deceit or gross negligence by us, we will not be liable to you for any Losses resulting from the exercise by us of our rights under clause 7.11.

8. ORDERS

8.1 You may request that, in relation to any Transaction, any of the following Orders are applied:

- a Limit Order which is essentially an order to open a new position or to close an existing position at a predetermined price specified in the Order;
-

- a Stop Order which is essentially an order to open a new position or to close an existing position when a predetermined trigger price specified in the Order is attained or surpassed;
- a Stop Loss Order which is designed to limit your loss to a certain level at a price specified in the Order; or
- a trailing stop similar to the standard stop order however tracks the price (in one direction) for the benefit of the trade. The tracking of the price is done in steps stipulated on the platform. Be aware trailing stops on the MetaTrader platform and will only trail while you are logged in.

8.2 It is your responsibility to understand the features of an Order and how the Order will operate before you place it. Before you place an Order for the first time, we recommend that you educate yourself about the Order by reading trading examples on the Website so that you fully understand the features of the Order.

8.3 The range of Orders we will accept shall be decided by us in our absolute discretion and we will have total discretion as to whether to agree to allow you to place an Order in relation to a Transaction. Certain Orders may only be available for certain types of contract.

8.4 We will endeavour to fill Orders once the price specified in the Order has been reached or at the occurrence of the event or condition specified in the Order. However, we may not be able to execute Orders if there is an event beyond our control in relation to the underlying investment. For all Orders, we may not be able to execute your Order at the price level you specify in the Order. In such circumstances, we will use our best endeavours to execute your Order at a price nearest to your specified price. This price may be either a better or worse price.

8.5 If the price your Order is filled is a better price we can, but are not obligated to, pass the improvement on to you.

8.6 Order will be "Good until Cancelled" unless you specify at the time of placing the Order that it is only "Good for the Day" or "Good for the Time". Unless an Order is cancelled or ceases to have effect, we will regard it as valid and execute it when the price reaches the price specified in the Order or the specified event or condition occurs.

8.7 You can only cancel or amend an Order if we have not acted upon it and that market is currently trading at that time. You may, subject to prior consent by us, cancel or amend an Order at any time before we act upon it.

8.8 Capital Index does not offer Guaranteed Stop losses.

9. MARGIN

9.1 You are required to deposit sufficient funds prior to trading on the Platform. You are required to have sufficient Trading Resources to cover the Initial Margin Requirement to facilitate a Transaction. The amount of the Initial Margin Requirement will depend upon the level of leverage assigned to your account and may be calculated by reference to

the Market Information Sheets available on the Website.

- 9.2 You agree, upon entering into a Transaction, to pay Margin to us in relation to that Transaction (“**Initial Margin**”). You agree to maintain such Margin at the level required by us during the term of the Transaction.
 - 9.3 The Initial Margin and your ongoing Margin Requirement shall be calculated by us with reference to the Market Information Sheets which are available on the Website.
 - 9.4 Initial Margin shall be due and payable by you immediately upon entering into a Transaction.
 - 9.5 Your Margin Requirement will change depending upon the performance of your open Transactions. We will calculate an indicative profit and loss amount (your “**P&L**”) based on your unrealised trading profits and losses. If your account equity (Cash Balance + Credit Allocation + Profit and Loss) is less than your Margin Requirement, you agree to make an additional Margin payment to us. The additional Margin payment shall be due and payable to us immediately upon your Margin Requirement being less than your equity amount, unless specifically agreed otherwise with you in writing.
 - 9.6 Details of your current Margin requirement and P&L are available through the Platform. You agree that you are solely responsible for monitoring your Margin requirement, P&L and account balance.
 - 9.7 It is your responsibility to ensure you maintain sufficient Margin in your account at all times. Although we are not charged to, we may contact you in relation to making additional Margin payments (a “**Margin Call**”). We may make a Margin Call to you at any time and in accordance with Clause 9.5 above.
 - 9.8 Subject to clause 9.9, if you fail to maintain sufficient Margin, we may, at our absolute discretion, allow you to maintain your open Transactions with us. However, we reserve the right to subsequently close out any open Transactions should you fail to provide sufficient Margin. You acknowledge and agree that you may incur further Losses should we allow you to maintain an open Transaction in the absence of you having sufficient Margin.
 - 9.9 If you are classified as a Retail Client and the sum of funds and the unrealised net profits in your account falls to less than half of the total Initial Margin Protection for all of the open Transactions, we will close out one or more of your open Transactions, in accordance with Clause 7.13.
 - 9.10 Margin payments must be made in a Currency in cleared funds in accordance with Clause 10 below. You agree to reimburse us any Losses we may incur in relation to the failure of a payment mechanism.
 - 9.11 We may amend the Margin Requirements in relation to any Instruments at any time, and you agree that any additional Margin following such amendment shall immediately be due and payable to us, unless we have agreed otherwise in writing with you. Any such changes to our Margin Requirements shall be made to our Market Information Sheets which are available on the Website or on request.

10. PAYMENTS

PAYMENT AND WITHDRAWAL OF FUNDS

We do not accept cash payments. We do not accept payments from, or make any payments to, third parties or other client accounts unless agreed in advance. Any such agreement will be at our discretion and under such terms as we may require. Funds deposited by way of transfer of monies between client accounts can only be carried out, with all due care, after signed written authority has been received from the paying client.

Payments to Us

- 10.1 All debit balances or Margin Calls are due immediately, regardless of whether or not you have received a request from us. All payment to us must:
- be made in a Base Currency; and
 - be made with either a debit or credit card, or via a bank transfer. We will not, unless explicitly agreed in advance with you, accept cheques. Full details of any charges can be found in the payments FAQ's section of the website.
- 10.2 We reserve the right to pass on to you any process costs incurred by us in relation to any payment mechanism used by you to transfer funds to us. In addition, if you transfer funds to us that are not in a Base Currency, we may, at our absolute discretion, either refuse the transfer, or convert the transfer into a Base Currency using a rate based on the prevailing market rate, +/- 0.5%.

Payments to You

- 10.3 We shall, on receipt of a request by you, transfer to you any funds available on your account. However, we shall be entitled to deduct from any such payment any and all outstanding amounts owed to us, and any bank charges incurred in making the payment to you. We shall have absolute discretion in the choice of payment mechanism for remitting funds to you. You acknowledge and agree that we shall be under no obligation to make any payment to you if the amount of such payment would reduce the equity on your account to below the amount of Margin required for you to maintain your open Transactions.
- 10.4 Without prejudice to any other rights to which we may be entitled, we may, at any time and without notice to you, set off any amount (whether actual or contingent, present or future) at any time owing between you and us, including against any joint accounts held by you. We have the right to exercise the right of set off in relation to all your accounts and or positions which have been closed. If the right of set off has been exercised, all the payment obligations will be consolidated into either an obligation for you to pay a net sum to us or for us to pay a net sum to you, depending on whether there is positive or negative balance on the account.
- 10.5 Interest shall accrue on a daily basis on any overdue payments until they are made in
-

full at a rate of 4% above the base lending rate of the Barclays Bank, and will be payable on demand.

- 10.6 Certain Transactions may result in you incurring profits or losses which are not in a Base Currency. We will convert all such profits or losses into a Base Currency amount based on the prevailing market rate. You agree and acknowledge that any Transaction which is not in a Base Currency exposes you to an additional currency risk.
- 10.7 Capital Index has restricted the maximum withdrawals to two per client per day. We will not process more than two withdrawals without our prior consent.

11. CLIENT MONEY

- 11.1 In accordance with the Applicable Rules and Regulations, we will hold all money received from you in accordance with the FCA Rules.

Retail Clients

- 11.2 Subject to Clause 11.3 below, any money transferred to us by you, or on your behalf, will be held by us on trust for you and will be segregated from our own money. In the event of our insolvency, your money will be excluded from our assets.
- 11.3 We may hold client money on your behalf in an account with a bank or third party. Should the third party become insolvent, or suffer a similar failure, there is a risk that the client money will be subject to the insolvency proceedings of the third party.
- 11.4 We may hold client money on your behalf in an account with a bank or third party located outside of the European Economic Area (“EEA”). Where the third party is subject to the charges of a jurisdiction other than that of an EEA State, the legal and regulatory rights and protections which apply to your client money will be different to those applicable in the EEA. Should the third party become insolvent or suffer a similar failure, these rights and protections may not be as effective in protecting your money as the law of an EEA State.
- 11.5 We shall be responsible under the Applicable Rules and Regulations for the acts or omission of any third party in relation to your client money. Should such third party become insolvent, you would still have recourse against us under the Applicable Rules and Regulations.

Professional Clients and Eligible Counterparties

- 11.6 If you have been categorised as a Professional Client or an Eligible Counterparty and have entered into a title transfer collateral agreement, the following shall apply, unless otherwise agreed:
- (a) When you transfer money to us or money is paid to us on your behalf or is credited by us to your account, you acknowledge and agree that the full ownership of the money is transferred to us for the purpose of covering your obligations as provided in this Agreement. Accordingly, the Client Money Rules will not apply and the money will not be segregated from money held in our account(s) and may be used in the course of our business. In the event of our
-

insolvency, you will rank as general creditor in respect of such money. We will not be liable for the solvency, acts or omissions of any bank or other third party holding your money.

- (b) Money transferred to us will be recorded by us as a cash repayment obligation owed by us to you. On your request, we will transfer an equivalent amount of money back to you where, in our discretion, we consider that the amount of money you have transferred to us is more than is necessary to cover your obligations to us. In determining the amount of collateral and the amounts of cash margin, your obligations, and our obligations to you, we may apply such methodology (including judgments as to the future movement of markets and values) as we consider appropriate, consistent with Applicable Regulations. You acknowledge and agree that you waive any entitlement (under the client money rules or otherwise) to receive interest on any money that we hold for you.

General

11.7 Unless we have otherwise agreed, we will not pay interest on any money held by us.

11.8 You will not grant any security interest in or over your account, or the money in it, to any person other than us.

12. DORMANT ACCOUNTS

12.1 Your account will be deemed as dormant after 6 months of inactivity. Activity is defined as placing or closing of a trade or maintaining an open position.

12.2 We will charge monthly inactivity fees of either GBP15, USD15 or EUR15, in accordance with the designated currency of your account, on all dormant accounts. This charge will be applied on a per account basis, meaning where you have multiple accounts with us that are dormant, we will charge the inactivity fee on each of them.

12.3 The inactivity fees will be deducted from the dormant account's available cash balance on the last day of every calendar month. If there is no available balance on your account, we will not deduct further monthly inactivity fees from that account, in other words, a dormant account will not incur negative balance as a result of deducting the monthly inactivity fee.

12.4 We may apply the inactivity fee to your account without prior notice.

13. REPRESENTATIONS AND WARRANTIES

13.1 You warrant and represent to us on the entering into of this Agreement and the giving of an instruction to us and the entering into of each Transaction with us that:

- if you are an individual, that you have reached the age of 18 years or over and have full capacity to enter into this Agreement and each Transaction;
 - if you are a body corporate, that you are validly existing in accordance with all
-

applicable law;

- all information provided by you to us is true and accurate and not misleading in all material respects and that you will inform us immediately, in writing, of any changes to the information you have previously provided that may affect our dealings with you;
- you have all necessary authority, powers, consents, licences and authorisations and have taken all necessary action to enable you lawfully to enter into and perform this Agreement and each Transaction;

- any other person entering into this Agreement and each Transaction on your behalf have been duly authorised by you to do so;
- this Agreement, each Transaction and the obligations created under them both are binding upon you and enforceable against you in accordance with their terms and do not and will not violate the terms of any law, regulation, order, charge or agreement by which you are bound or subject (including any restrictions imposed on your dealing activities by your employer);
- you fully own all money you may transfer to us in accordance with this Agreement and no other person has any interest in such money;
- you are willing and financially able to sustain a total loss of funds resulting from Transactions and trading of such Transactions is a suitable investment vehicle for you;
- you will only use quotes provided by us for your own personal dealing purposes, and will not distribute our quotes to any other person; and
- you will not use any automated device or trading strategy which manipulates or takes unfair advantage of our Services, and shall only use our Services and the Platform in good faith and for the purpose they are provided to you for.

Market Abuse

- 13.2 You acknowledge that, as we currently hedge all our liability to clients by opening analogous positions with other institutions, your transactions with us can have an impact on the external market for the relevant Instrument and on the buy and sell price which we offer in relation to an Instrument. This creates a possibility of market abuse. For the purpose of preventing such abuse, you represent and warrant to us you will not and have not entered into a Transaction with us if to do so would result in you, or others with whom you are acting in concert having an interest in the price of the Instrument which exceeds the prevailing level or percentage set by law or any facility on which the Instrument is traded, at which financial or other interests in an Instrument must be publicly disclosed;
-

- you will not and have not entered into a Transaction in connection with:
 - (i) a placing, issue, distribution or other similar event;
 - (ii) an offer, takeover, merger or other similar event; or
 - (iii) any corporate finance activity.
- you will not and have not entered into a Transaction that contravenes any law or regulation prohibiting insider dealing, market manipulation or any other form of market abuse or market misconduct.

13.3 You acknowledge that it would be improper for you to deal in the Instrument if the sole purpose of such a transaction was to manipulate our buy or sell prices, and you agree not to conduct any such transactions.

13.4 You acknowledge that we are entitled (and in some cases required) to report to any relevant regulatory authority details of any Transaction or Order entered into or requested by you. You undertake to make any such disclosures required of you.

13.5 You will be deemed to repeat the representations and warranties contained in Clause 13 at the time you enter into this Agreement, every time you enter into a Transaction and every time you give us any other instruction.

14. INDEMNITY

14.1 To the extent permitted by law, you agree to indemnify us in respect of all Losses that may be incurred by us as a result of:

- any failure by you to perform any obligation, or failure to comply with any term of, this Agreement or of any Transaction;
- any reliance placed by us on any information or declaration provided by you to us, or any third party; and
- any other person obtaining access to your account using your account details and/or password, whether or not they are authorised by you or not.

14.2 In the absence of fraud, wilful deceit or gross negligence by us, we will not be liable for any Losses caused by any act or omission of ours under this Agreement, or in relation to any Transaction.

15. EVENTS OF DEFAULT

15.1 Each of the following shall be an event of default:

- the failure by you to make any payment to us in accordance with this Agreement;
 - the failure by you to maintain sufficient Margin in your account;
 - the failure by you to comply with any term of this Agreement;
-

- the failure by you to respond to any notice or correspondence from us for any period considered reasonable by us;
- your death or incapacity;
- the initiation of bankruptcy proceedings against you, or the making of arrangements or composition with your creditors, or any such similar or analogous proceedings taking place; or
- you become unable to pay your debts (whether or not arising under this Agreement) as and when they fall due.

15.2 If an Event of Default occurs we may, at our absolute discretion:

- enforce any or all of your Transactions against you;
- close out all or some of your open Transactions at our current prevailing prices or quotations;
- suspend or cancel any Orders you may have in relation to your Account;
- exercise our right of set-off in accordance with Clause 10.4 and refuse to enter into any further Transactions with you;
- close all or some of the accounts you have with us.

15.3 We shall endeavour, where reasonably possible, to give you as much notice as possible before taking any action under this Clause. However, we retain absolute discretion to take any action under this Clause without prior notice to you.

Where we close your CFD position in these circumstances you acknowledge that this may result in you incurring a loss on the CFD.

15. Further, you fully indemnify us against:

- any fine, penalty, liability or other similar charge imposed on us for any reason by any underlying market or any other regulatory authority that relates in any way to your opening or closing a transaction or any related transaction by us to hedge your transaction; or
- any stock recall or buy back fees imposed by any underlying market in relation to a transaction placed by you.

EXPIRY

16. Each CFD will run in perpetuity unless and until it is closed in accordance with this agreement. When this happens, any profit or loss on the trade will be realised and will be debited or credited to the cash balance on your account.
17. For the avoidance of doubt, we will not under any circumstances arrange delivery of underlying instruments. You acknowledge that we will not transfer voting rights relating to an underlying security to you, or otherwise allow you to influence the exercise of voting rights held by us.

HOW TO CALCULATE A PROFIT OR LOSS ON A CFD

18. When you close a CFD position, any profit or loss will be realised and credited or debited to your cash account. For a long CFD, the settlement amount will be:

$(\text{closing value} - \text{opening value}) * \text{number of lots}$

For a short CFD, it will be:

$(\text{opening value} - \text{closing value}) * \text{number of lots}$

19. This cash settlement figure will be credited to your cash balance if it is positive or debited if it is negative.
20. Note that either or both of the opening price and the number of shares may have been adjusted since the CFD was opened to reflect corporate actions as described below.

ADJUSTMENTS

Adjustments for dividends

21. Adjustments for all of your positions will be made to reflect dividend, interest and other alterations relevant to particular transactions.
22. Adjustments will be calculated and will be credited to and/or deducted from your account on at least a monthly basis.
23. Dividends will be credited to your account if you bought, i.e. opened a long position, and debited if you sold, i.e. opened a short position.
24. Any dividend adjustment will be calculated in respect of open positions held on the dividend day for the relevant underlying security.

CLOSING A CFD POSITION

25. Open CFD positions can be closed via the Trading Platform during a market's Normal Trading Hours.

A final statement will be issued to you where appropriate.

SCALPING POLICY

32. Scalping can apply to any online quoted financial market. Traditionally it primarily refers to the Foreign Exchange market due to its size, liquidity and tight spreads. It is when a trader, often using high leverage, attempts to take advantage of a price discrepancy or anomaly in market in an extremely short period of time, typically a few seconds. Often this price anomaly may be caused by latent prices which is where, due to the complexity of transmitting prices online around the world, delays in updates occur, which although small, can still be exploited.

Our Scalping policy shall apply to any on-line quoted financial market that is traded through your use of the Electronic Services. We may deem an activity as Scalping if that Order or Trade has any of the below characteristics:

- (a) the Trade is opened and closed within Three (3) minutes (i.e. the Order for the closing Trade follows the Order for the open Trade in three (3) minutes or less);
 - (b) an opposing Trade is placed within three (3) minutes of each another Trade being opened thus creating a fully or partially hedged position (also
-

known as a “locked position”); or

(c) the Order for opening or closing the Trade is placed on a latent price.

33. We do not provide spreads and liquidity to enable Scalping and will deem any instance of Scalping to be a Manifest Error. Scalping is considered a breach of your Terms and Conditions and we may act reasonably and in good faith and in our sole discretion:

(a) immediately terminate your account and your access to our servers;

(b) void any Trade (i.e., treat the Trade as if the Trade had never taken place) which was part of any Scalping activity;

(c) close any Trade on the basis of our then current prices which was part of any Scalping activity; or

(d) amend any Trade, so that it is as it would have been if the Order was executed in the absence of Scalping.

We can exercise the above rights even if you have entered into (or refrained from entering into) arrangements with third parties relating to the relevant Trade and even if you may suffer a trading loss as a result.

34. We reserve the right, in our sole discretion, to change your underlying liquidity feed to another provider in order to protect against abuse (including Scalping). If the liquidity feed is changed, we shall have no requirement to notify you or give you prior warning of the change. We shall not be obligated to change the liquidity feed and may take any other action permitted by standard customer Terms and Conditions.
